INDEPENDENT AUDITORS' REVIEW REPORT ON REVIEW OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER AND NINE MONTHS ENDED DECEMBER 31, 2018

TO THE BOARD OF DIRECTORS OF RESTILE CERAMICS LIMITED

- We have reviewed the Unaudited Financial Results of Restile Ceramics Limited(the "Company") for the quarter ended December 31, 2018 and the year to date results for the period from April 1, 2018 to December 31, 2018 (the "financial results") which are included in the accompanying "Statement of Unaudited Financial Results for the quarter and nine months ended December 31, 2018" (the "Statement"). The Statement has been prepared by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. ('the Listing Regulations').
- 2. This Statement which is the responsibility of the Company's Management, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and has been approved by the Board of Directors. Our responsibility is to issue a report on the Financial Results based on our review.
- 3. We conducted our review of the Financial Results in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Results is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

4. Basis of Qualified Conclusion:

- a. The Company has generated negative operating cash flows, incurred substantial operating losses and significant deterioration in value of assets used to generate cash flows all of which indicate existence of material uncertainty in the Company's ability to continue as a going concern for a reasonable period of time. The attached Financial Results do not include any adjustments that might result had the above uncertainties been known.
- b. The Company's building is carried in the books at Rs. 720.76 lakhs as at December 31, 2018. Independent valuation of the same during the previous year had indicated impairment in value of the said building of Rs.376.20 lakhs which ought to be recognized in the Statement of Profit

and Loss / statement. The impact of the above on the results for the current period has not been ascertained.

5. Qualified Conclusion:

Based on our review conducted as stated above, except for the effect of matters as mentioned in para 4 ,nothing has come to our attention that causes us to believe that the accompanying Financial Results, prepared in all material aspects in accordance with the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, as amended from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.
